

ANNOUNCEMENT

COMMISSIONER BRENT BAILEY
MISSISSIPPI PUBLIC SERVICE COMMISSION
CENTRAL DISTRICT

Commissioner Brent Bailey announces utility community forums in Central District

Central District Public Service Commissioner Brent Bailey is hosting a series of community forums in the Central District to discuss utility services following the severe storm events in June, which caused widespread power outages, and any other questions or concerns utility customers may have about their services.

Commissioner Bailey will provide a brief overview of the Commission's mission and how it works to ensure that public utility services are delivered efficiently, reliably and affordably. Additionally, the Commissioner will share more information received through the Commission's [comprehensive review](#) of Entergy Mississippi, LLC's restoration efforts in response to the June 2023 storms. Attendees will also have the opportunity to engage with utility representatives who are present for the forum.

The forum is open to all members of the public and the media. Refreshments will be provided. For more information about the upcoming event, please email rachael.ring@psc.ms.gov or call 1-800-356-6430.

The dates, times and locations of the forums are listed below. We hope to see you there!
